Organization Name *

UU Congregation of Northern Chautauqua

Name of respondent *

Janey Wagner

Phone number of respondent *

Purpose of Grant *

Capital Improvement

Amount of Grant *

\$1,600

How was the money spent? *

To enlarge the space for children's RE and childcare by installing a door between two small adjacent rooms.

By your best estimate, how many people were/are being reached/served? *

5-15

How well have the *goals* of the program/project been met, and how has this determination been made? *

We had several children and two childcare providers at our first service, utilizing the enlarged space. They all reported feelings of increased comfort and less crowding.

What *concerns* developed in the course of the program/project? *

A hinged door was installed, even though the RE coordinator asked for a sliding door in order to avoid children being bumped and fingers being pinched. We remedied this by propping the door open, and will only close it when privacy for a meeting in one of the rooms is desired.

Project Completion Info

Is the project fully complete? *

☒ Yes

☐ No

IF THE PROJECT IS COMPLETE, what are the implications for the future?

Rather than having each room hold toys, books, and art supplies, all art supplies are now on one side and all baby/toddler safe toys are in the other room. Easy access between rooms with the option of closing the door makes the space more functional and safer.

IF THE PROJECT IS NOT COMPLETE, when will it be completed and evaluated, and by whom?

NA
