How well have the *goals* of the program/project been met, and how has this determination been made? *

Our goals were to meet our need for deep collegial connection and to nurture our individual physical and spiritual needs so that we could return to the important work of caring for our faith communities restored and reinvigorated. We feel that these goals were definitely met. Being in a caring profession, it was so valuable to be cared for! We were so grateful to have delicious meals prepared for us, comfortable rooms, and amenities such as a fire pit to gather around and hot tub to relax in. We were also able to bring in a practitioner who led us in a breathwork and completing the stress cycle workshop as well as a sound bathing experience. Our members expressed that the relaxation experienced and connections made at this retreat made a positive impact on our ability to show up for our congregations and each other.
