Dear Jim,

We are so grateful for your support throughout 2025. As a nonprofit organization, financial support awarded helps us offer programming, maintain our facility, and cover our fixed expenses. This Grant helps to ensure that Ferry Beach is a sustainable year-round organization.

In addition, because of donations from people and organizations like yours, we were able to:

- Make updates to Rowland dorm rooms and meeting spaces. New paint freshened up the walls and the ceiling in Gayla Theatre, upstairs dorm rooms, hallways and bathrooms
- Paint Dolphin room and install new sink and countertop
- Repave the ADA walkway across campus and extend it to Underwood
- Install a foot rinse station at the end of the boardwalk

In addition, because of the January 2024 storm damages, funds from FEMA allowed us to make structural improvements to the Dolphin room, including installing new windows and doors, as well as pour a new foundation and floor for the rose pavilion.

Total Grant for 2025 = <<\$4,200.00>>

Thank you!

No goods or services were exchanged.

Thank you so much for being such a good steward to Ferry Beach.

Sincerely,  
Mary Ann
