

REV. H. R. NYE

The Church of Our Father, of which Rev. H.[Henry] R. Nye is pastor, has changed its spots twice during the year. Its old church was surrendered to the Duryea Mission, connected with Clauson Avenue Presbyterian Church. Then Mr. Nye occupied the Music Hall at the junction of Fulton street and Flatbush avenue, during the Summer. His people now receive his ministrations in the elegant church in State street near Hoyt. Mr. Nye is a Universalist who usually takes note of the doctrinal discussion and developments of the age, and is particularly sharp on the Trinity.
