

[Fort Ann, Washington Co. NY]

A New Universalist Church

The West Fort Ann Universalist church, erected on the site of the Union church which burned down some time ago, has been completed with the exception of furnishing, and will be dedicated next month. It is a good-sized and sightly structure, fifty by thirty feet in dimensions, seventeen feet between floor and ceiling, and is surmounted by a belfry. It has a seating capacity of about 200 and cost \$2,500, which was raised by subscription.
