

Ogdenburg N.Y. Aug 12, 1924,

Mr Lynn S Randall, Treasurer

Syracuse NY.

Dear Sir:

The Universalists Church here, has been sold by Dr. J. M. Atwood, for the N.Y. State Convention of Universalists. The society has a balance of cash in the bank of \$174.48.

Dr Atwood told me to send you a check for money that the society has on hand, and that you would place it in the fund where it belongs.

We were sorry indeed to see the little church sold, but it was the only thing to do, the building was in need of repairs, and the society was too small to keep the church open.

I enclose check for the \$174.48.

Sincerely yours

G. E. Briggs
