

[Otsego (Fly Creek), Otsego Co.]

OTSEGO UNIVERSALISTS HOLD 89TH CONFERENCE

Oneonta, June 24.—The Otsego Association of Universalists will hold its 89th annual session at Fly Creek Tuesday, June 27th, afternoon and evening. The old historic church at Fly Creek is the oldest Universalist church that has had continuous services west of the Hudson river. The present structure though remodeled from time to time, has stood for over one hundred years while the society was organized at the First Universalist Society of Otsego, one hundred and nineteen years ago.

The various committees of the church are at work with plans to entertain the association and delegations are expected from Richfield Springs, Schuyler Lake, Cooperstown, Burlington, Morris and Oneonta. Supper will be served at Grange hall at six o'clock.

A group of speakers of [?] denominational fame is touring the state and on its way eastward to attend the association at Fly Creek and be the principal speakers on the occasion. Among the [?] are Dr. John VanSchaick, of Washington, D.C., recent commissioner of Red Cross work in Belgium during and after the war.

The Rev. Helene Ulrich of New York city, assistant pastor of the Church of the Divine Paternity [Fourth Universalist].

Dr. G.[George] Delbert Walker, New York state superintendent.

All meetings are open to the public and a general invitation to attend is most heartily extended.

Rev. Charles Kramer of Cooperstown is acting district superintendent and A. H. Tillson of Oneonta vice-president.

Binghamton Press, Binghamton NY, Sat. 24 Jun 1922
