DEDICATION

A new Union Meeting-house lately erected at Felt's Mills in the town of Rutland, Jefferson county, by Methodists, Universalists, and others, was dedicated to the purposes of religious worship on the 27th of January. Methodists preached in the morning and evening, and Br. [Pitt] Morse (Universalist) in the afternoon, and union and harmony were the order of the day. We sincerely hope they will long reign in their midst.
