William Anderson's Funeral

The funeral of the late William Anderson was held Monday afternoon at the home of his daughter, Mrs. William W. Eccles, in Genesee street. Rev. A. [Arnold] S. Yantis of the First Universalist church, of which Mr. Anderson had long been a member, conducted the services. The Water commission and all of the employees of the Water department who could be spared, attended the services.

In compliance with the request of Mr. Anderson, his body will be cremated. Remains were taken to Buffalo Monday morning for that purpose. Three of the sons, Thomas, Joseph and Frank Anderson, accompanied the body.
