

[Annis, Phebe Skinner]

DEATHS.

In Livonia, April 1st, Mrs. PHEBE ANNIS, wife of Augustus B. Annis, and daughter of Nathan Skinner, of Cambridge, Washington county, N.Y., aged 45 years and 8 months. Also, on the following day, two infant children. The death of Mrs. A. was very sudden and unexpected, and her loss is deeply felt by an afflicted husband and a large family of children, and indeed by all her relatives and neighbors; for she was respected and beloved by all who knew her, for her many excellent qualities. She was a firm and undoubting believer in the doctrine of Universalism, which sustained and gave unspeakable comfort to her in her last hours, and which now gives support and resignation to the mind of the bereaved husband, enabling him unrepining, confidently to say, "Thy will, O God, be done."

The consolation of the Gospel was tendered to the neighbors and mourning relatives on the 2d inst., at the house of the deceased, by the writer, from Ps. xc:14.
