THOSE WE MOURN

Mrs. Elmyra [Almira] Church Atwood, known and loved among us by reason of the years spent here in company with her distinguished husband Dr. I. M. [Isaac Morgan] Atwood, died January 17 in Washington. Dr. Grose conducted a brief and beautiful service at her Washington home, services also being held in Canton where her son and one daughter live. Mrs. Atwood was a woman of many interests. Her home came first, but nothing concerning the good of mankind was alien to her. She had the faculty of brightening the lives of all who met her. For twelve years she was an active and well loved attendant at our church, and many friends will remember her with gratitude and regret her passing.
