

[Bellinger, Elvina Snell]

Died.

Mrs. Christian [Elvina] Bellinger died at her home about two miles above this village on Sunday morning. She had suffered from cancer for about a year. She was an estimable woman whose many friends were more grieved over her sufferings than they are now that death has come to her relief. The funeral was conducted by Rev. E. [Edward] A. Perry [Universalist] on Wednesday afternoon and was very largely attended. Mrs. Bellinger was about 64 years of age.

—We were misinformed last week regarding the cause of the death of Mrs. Christian Bellinger. She had suffered from the grip followed by an abscess, but had not been afflicted with a cancer as we were informed.
