

[Buck, Elizabeth]

MISS ELIZABETH BUCK who departed this life on Tuesday morning of last week at the residence of her sister, Mrs. Geo. Robinson, was well known and greatly beloved and respected by all who have been residents of this village during the last thirty years. She was one of that class of true and pure women whose lives are the chief possession of a community. She was for many years a devoted member of the Universalist church, and until protracted illness prevented, an officer in it. Her truth, fidelity and patient continuance in well doing marked her as a sincere disciple of Christ, and made her a useful as well as exemplary member of society. Her last illness was long and painful, but was borne with extraordinary patience and resignation. The funeral was attended from her late home on Friday, Feb. 28th at 2 p.m., the Rev. Mr. Stowe conducting the service, assisted by Dr. Atwood.
