

[Burger, Peter S.]

PETER S. BURGER

This aged and respected citizen died yesterday afternoon, after a protracted sickness consequent upon an attack of typhoid fever. Deceased held during his life almost every official position within the gift of his fellow citizens, having been Alderman, Assessor, and Mayor, and for many years has been identified with the business interest of the city, being a carriage manufacturer, and at the time of his death senior partner of the firm of Burger & Kidney. He was a member of the Universalist Church, and a regular attendant upon divine service. Throughout his life he had the confidence and respect of his fellow men, and died honored and generally respected.
