MRS. MALVINA CHURCHILL

The death of Mrs. Malvina Churchill occurred last week at Dayton, Ohio, and the body was brought to Schuyler Lake, where funeral services were held in the Universalist church on Saturday, the Rev. Mr. Hokerk officiating.

Mrs. Churchill's age was eighty-two years. Her life until a few year since was spent in this county, mostly in Richfield. For a great many years she was a very successful teacher as very many of the middle aged people of the vicinity can testify. She was probably the oldest member of the Richfield Universalist Church and did very much for it during her life. She was the last of the Churchill family. Henry and Mary Conklin of this town are her surviving relatives.—Our Schuyler Lake Reporter.
