

[Conkey, Perley Munger]

Died, in this city, on the 12th inst., Perley Munger, only son of Eleazer and Sarah A. Conkey, aged 14 years. Funeral at the house, 7 North Clinton street, to-morrow at 3 P.M.

Afflictive.—It will be seen, by reference to our obituary head, that the only son of Eleazer and Sarah Conkey has suddenly been taken from them. The deceased was of more than common promise—possessing a sedateness not common of his age, and his demise cannot be other than deeply afflictive to his parents and a large circle of relatives, thus suddenly called to weep over one who, but a few days ago, bid fair for a prolonged and useful life. In this bereavement, the parents and friends of the deceased have our heartfelt condolence.
