

[Cook, Olive Comstock]

RIDGEWAY—Last Saturday the sad news was received of the death of Mrs. George C. Cook, who, about three weeks ago, in company with her husband started for Minnesota, in good health, to visit their son. While there she was taken with typhoid pneumonia and in spite of careful and untiring attention of husband and children, she is called to that higher and better world where her hope and belief in a future life always gave her so much comfort. She has been identified with the Universalist Society of this place for a great many years. The announcement of her death is received with sorrow and to her bereaved family sincere sympathy is extended. Her remains are expected on Thursday and the funeral will probably be held Friday. [She was buried in West Ridgeway Cemetery.]
