

[Dewey, Augusta]

Died—In East Victor, on Friday, March 31st, Mrs. Eugene [Augusta] Dewey, of Typhoid Pneumonia. Mrs. Dewey caught a severe cold at the Centennial Tea Party a few weeks since, but had only been confined to her bed for a few days. Almost from the outset of her confinement, her Physician had no hope of her recovery. Every thing was done which kind friends and relatives could do. The news of her death came with suddenness upon her friends, many of whom had not learned of her illness. She was an active member of the Universalist Church of this place. She leaves a kind husband and two children, one a young man [Emmet], the other a little girl [Anna] three years old, to mourn her loss, besides a large number of relatives and friends. The funeral was held in the Universalist Church on Sunday afternoon. The large number of friends in attendance testified in what kind remembrance she was held by all.
