ELMER FISHER

The body of Elmer Fisher, who passed away in the hospital at Los Angeles, California, Sunday May 15th, reached the home of his sister, Mrs. John [Mae] Sharpsteen, east of the village, Sunday evening last. Mrs. Fisher accompanied the husband's body. Elmer was a victim of the influenza seven years ago, and lung trouble developed which he bravely endeavored to conquer. Accompanied by his wife and daughter Mildred he went to California four years ago in hopes that the climatic change would effect a cure. He had been very ill in the hospital for three weeks prior to his death. He was a young man of sterling worth, devoted to his family and will be deeply missed.

Elmer Fisher was born in the town of Orangeville, April 15, 1885, the son of the late Andrew and Lucinda Cook Fisher. He was married in Perry February 2, 1909 to Catherine Darcy of Waterbury, Conn., who survives together with two children, Mildred and Mae. Other immediate survivors are his mother, two sisters, Mrs. John Sharpsteen of Leicester, Mrs. Harry Ransom of Rochester; three brothers, Julian of Warsaw; Ray of Ontario and Roy of Orchard Park.

Funeral services were held from the Sharpsteen home Tuesday afternoon at 2 o'clock, Rev. Wm. Metz [Universalist] officiating and burial was in the family lot in Warsaw cemetery.
