

[Fisher, Joanna]

DEATHS.

In Georgetown, November 12th, of apoplexy, Mrs. JOANNA FISHER, consort of Abner Fisher, aged 45 years.

Mrs. Fisher was a firm believer in the doctrine of a world's salvation, and adorned her profession by a consistent and Christian character. She has left a large family of children to mourn her departure. May the comforts and consolations of the Gospel, console the afflicted mourners, and the thought of again meeting the departed in a better world, cure the wound which death has inflicted. Her funeral was attended in the Baptist meeting house, by a large and attentive congregation, among whom were the Presbyterian and Baptist preachers—the latter of whom assisted in the services. Discourse by the writer. In behalf of the friends of the deceased, we would return our thanks to the Baptist society for their kindness and liberality, in opening their house for the occasion.
