

[Fraser, John]

Ellisburgh

—Died on the 6th day of March, 1887, John Fraser, aged 83 years, one day. Mr. Fraser in boyhood came from Brattleboro, Vt., to the farm on which he died. He was a man of much more than ordinary ability—one of those strong-minded men richly endowed with good strong common sense. His life and habits were good and he was respected by all who knew him. In a remarkable degree he retained his mental faculties till death. We do not suppose he had an enemy. He was an honest and true man. Funeral will be held at Universalist church at 2 p.m., Wednesday, March 9th.
