DEATHS.

In Mohawk, the 23d ult., HARRISON DEVERO GETMAN. He would have completed his 15th year on the 28th. As he was returning from school on the 21st, at 12 o'clock while at play with another lad in the street, he was accidentally run against by a team of horses and sled that were passing. The tongue or shaft struck him in the side causing a rupture in the intestines and terminating in death on the morning of the 23d. Kind parents have by this afflictive calamity been overwhelmed in the deepest sorrow. But they mourn not without hope... Sermon by the writer [Rev. Benjamin B. Hallock] on Sunday P.M.
