

[Goff, Nancy]

DEATHS.

In Virginia Settlement, McHenry county, Ills., Mrs. NANCY GOFF, wife of David Goff, aged 59 years, late of the town of Springwater, Livingston county, N.Y. Mrs. Goff has left a large family, a husband and ten children, to mourn the loss of an affectionate wife and a tender and beloved mother. She was of a slender constitution. After an illness of five days, which commenced on the 26th of July last, she continued until August 1st, at e o'clock and 10 minutes, A.M., at which time her spirit took its flight to a better and happier clime. It must be a great consolation to her friends and relatives, to know that she was resigned to the will of her Father and her God. She closed her eyes in death without a murmur or a struggle. A discourse was delivered on the occasion by Elder Wheeler (Baptist,) from McHenry county seat, from Job xxii: 21.
