FRED GROVER

Entering the room occupied by Mr. Fred Grover at the Hotel Hastings Monday morning to do the room work, the lifeless body of Mr. Grover was discovered on the bed. He had been about the hotel Sunday and his death was sudden and unexpected. Mr. Grover was a son of the late Hiram C. Grover; his mother died a number of years ago and he is survived by one sister, Mrs. W. H. Willett of Hornell.

Coroner Brown of Mt. Morris was summoned and with Dr. Brown made a postmortem examination. They found that death was due to acute gastritis and fatty degeneration of the heart.

Mr. Grover was 55 years of age. Warm hearted, always pleasant and courteous, he was a man of many friends, whose memory will remain with those who knew him best.

Mr. and Mrs. Willett reached Nunda Monday afternoon, remaining until after the funeral and burial, held there Tuesday afternoon, Rev. E. P. Wood, pastor of the Universalist church, officiating.—Nunda News.
