MRS. E. L. HOSFORD FOUND DEAD IN BED
She Expires Suddenly at the Family Home on State Street.

Mrs. Eliza L. Hosford, aged 70 years, wife of John U. Hosford, was found dead in bed this morning at 7 at her residence, 253 State street. Mrs. Hosford had been troubled with asthma for some time, but her condition was not regarded as serious. She had been about the house as usual Tuesday and retired early Tuesday evening as was her custom. The family were greatly surprised to find her dead upon entering her room this morning after receiving no answer to an inquiry as to how she was feeling. She had been in poor health for many months, but her sudden death comes as a surprise to the members of the family and her many friends.

She was born in Copenhagen, Aug. 23, 1845, the daughter of the late Mr. and Mrs. Perly Blodgett. She came to this city when a young girl with her family and had lived here ever since. Her only immediate surviving relative is her husband who resides in this city.

The funeral services will be held privately Friday afternoon at 1, from her late residence, 253 State street. The remains will be taken to Copenhagen Friday afternoon by auto-hearse for interment.
