

[Hull, Clarissa Phelps]

Mrs. Clarissa Phelps Hull

Died, in Leicester, N.Y., April 24, 1881, Mrs. Clarissa Phelps Hull, aged 75 years.

Mrs. Hull was born in Connecticut, April 10, 1806, and removed to this region with her parents when sixteen years of age. She was married to Mr. Moses Hull, Jan. 18, 1826, and soon after their marriage they settled on the farm where he now resides. Mrs. Hull was an excellent example of the virtues of our pioneer mothers and long preserved the simple and beautiful customs of the older time. She was, from its foundation, a regular worshiper at the Universalist church of Perry, and a firm believer in its faith.
