

[King, Solomon]

DEATHS.

At Lowville, on the 23d ult. [October 23], after a long and distressing sickness, (which he bore with all the fortitude and resignation of the philosopher and Christian united,) Mr. *Solomon King, jr.*, aged 44 years and 6 months. He had, for years, been a firm believer in the doctrine of the ultimate holiness and happiness of all mankind; and through his sickness, and at his death, manifested that faith in his heavenly Father, and resignation to his will, that put to silence those who say, that "this doctrine will do to live by, but not to die by." He has left a wife and four small children to mourn his early death. May a merciful Providence protect and bless them.
