HUDSON MAN DIED IN HUDSON HOSPITAL

George Lasher, a well known resident of this city, died at the Hudson City Hospital Sunday. He had been in ill health for some time and last Friday he was taken to the hospital to undergo an operation. However his condition grew so weak that this was impossible.

He was born in Chester, Mass., 63 years ago but came here when a young man. He was employed for many years at C. H. Evans & Sons brewery. He was an active and devoted member of the Universalist church.

The deceased was a man who made many friends by his ever cheerful disposition and his sterling traits of character. He is survived by one sister, Mary, of this city.
