

[Lowerre, Caroline M. Peck]

SOUTHOLD

This parish has suffered a great loss in the death of one of its most devoted members, Mrs. Caroline M. Lowerre. She was the daughter of the late Israel Peck, one of the pioneer Universalists of this region. She was for many years clerk and treasurer of the parish, treasurer of the Ladies' Society, and a teacher in the Sunday School. She brought successive classes into the church well grounded in the faith. She was a lover and student of birds and flowers. She had a remarkable gift of song with a voice of splendid range and sweetness. She left a bequest of two thousand five hundred dollars to the local church. Among other beneficiaries of her will are the Chapin Home [in New York City], Doolittle Home for the Aged [in Philadelphia], the Eastern Long Island Hospital and the [NY State Convention of Universalists] Pension Fund.
