

[Rawson, Simeon]

DEATHS.

In Schroon, Essex county, on the 30th of April last, SIMEON RAWSON Esq., aged 80 years, after a short illness. He was one of the first settlers of the town, and universally respected as a man of the strictest temperance and integrity, of the most industrious habits, and a peace maker indeed. He died without a struggle, and remained in the full possession of his mental faculties till within a few days of his death, and rejoicing in the full assurance of the blessed hope of immortality and endless bliss for himself and all mankind; which he professed and entertained in life. He has left a widow and a numerous family to mourn their bereavement, but not as those without a hope.
