

[Sedgwick, Henry D.]

The sympathy of all our people goes to the family of the late Henry D. Sedgwick, whose death occurred last Saturday after an illness extending over several years. Mr. Sedgwick comes of a family of loyal Universalists and although he has not often been at church in recent years he never ceased to have a keen interest in all its affairs. In his brave fight for life during the past few months he has been nobly aided by the loyal devotion of the faithful wife who, with two sons, one in the U.S.A., is now left to mourn his loss.
