Death of Dr. Sibley

The death of Dr. Frank Sibley former president of our Saxe Club came as a great shock to his many friends in our church. Dr. Sibley was of a peculiarly bright cheerful disposition and made himself easily and generally liked. His service in connection with the free dental dispensaries in our public and parochial schools entitles him to rank among the great benefactors of our city. This work is rapidly being taken up in other cities also and is destined to have a very wide influence for good.

Sincere sympathy is extended to the bereaved family [his wife Myrtle, a daughter, Ruth Sibley, his mother and a sister, Fanny Sibley, all of Rochester] in their sorrow. May the consolations of God be a very present help in this time of their trouble.
