PAUL SMITH

Paul David Smith, aged 15, son of Mr. and Mrs. W. H. [William] Smith of 564 Plymouth Avenue, died Friday February 12th after an illness lasting more than a year and a half [endocarditis]. Services were conducted from his late home February 14th, interment being in Mt. Hope.

Paul Smith was a courageous spirit in a broken body. To the end he sang and smiled. His whimsical mind created a little world of its own, which included his parents and his immediate loved ones. To these will go the precious memory of his happy, useful boyhood, rich in everything but length of days.
