

[Tuthill, Julia Horton]

Death in Moravia

Mrs. Julia Horton Tuthill died at her home in this village, on Wednesday morning, February 25, 1885. She was born in Goshen, Orange county, in August, 1799, and removed with her husband, the late Hon. Hector C. Tuthill, in early married life to the town of Sempronius in this county, and from thence to this village about the year 1857, where she has since resided. Hon. Hector H. Tuthill, the last of her children, died in October, 1883. Hers was an exemplary life. Her charity and kindness endeared her to all. She had been a life-long, firm believer in the Universalist faith, and her death was as peaceful as her life was quiet.
