

[Twiss, Louisa]

### CURRIERS

Miss Louisa Twiss died on Thursday, April 3rd after being seriously ill for three weeks. The funeral services were held at her late home on Friday afternoon and were conducted by Rev. John Sayles [of Grace Universalist Church] of Buffalo. Miss Twiss would have been 90 years old in December but was one of those people who never seem old because she kept up her interest in the work and affairs of the young people of today, so it was especially fitting that her bearers should be four young men of her acquaintance: Robert Woolley, Carl and Kenneth Miller and Lawrence Nichols. Miss Twiss will be greatly missed in this community, and the bereaved relatives and friends have the sympathy of all their neighbors.

Miss Margaret Williams, who has been caring for Miss Twiss has returned to her home in Arcade.
