Ellen Morey Veber

Mrs. Ellen Morey Veber died at the Masonic Home in Utica, Thursday of last week, at the age of seventy-four years. She is [sic] very well and favorably known in Schuyler Lake and vicinity, nearly her entire life having been spent there.

For several years she and her husband [Lucius Veber] owned and conducted the Dyer Hotel and they afterwards boarded with tenants in the hotel when failing health compelled them to give up the more strenuous life.

For the past two years she has lived in the Masonic home where she has been well cared for.

Her body was brought to this place Monday, the funeral services being held in the Universalist church, Rev. F. [Frank] O. Hokerk officiating. Survivors are her daughter, Mrs. Arthur [Jessie M.] Liddell of Schuyler Lake; five brothers, Grover, of Schuyler Lake, Smith of South Edmeston, Stephen of Hartwick, Alonzo and Charles of Edmeston; one sister, Mrs. George Trobridge of Syracuse; several grandchildren, and many nieces and nephews. Her body was laid to rest beside that of her husband, who died about fifteen years ago.—Our Schuyler Lake Reporter
