

[Whipple, Eleazer]

DEATHS.

At his residence, in Richfield, Otsego county, on the 23d of October last, of a fever, Mr. *Eleazer Whipple*, in the 41st year of his age. In the death of this worthy man, his wife has been deprived of a kind and affectionate husband—his children of an indulgent father—and society of one of its greatest ornaments. His wife has been blind for about three years, but she has the sight of the mind, that gem of inestimable value, which thousands of the human family are not in possession of, to support her in her afflictions—faith in the doctrine of universal holiness. May she always cast her cares on that Being, who has declared he will be a Father to the fatherless, and the widow's God.

S. W.

Mrs. Whipple has also had the misfortune to bury a daughter, who died the 15th of September last, at her father's, of a fever, in the 20th year of her age.
