

[Whitney, Hezekiah]

DEATHS.

In Mexico, May 1st, HEZEKIAH WHITNEY, aged 76 years. Although Father Whitney was a Universalist, and died triumphing in the faith of a world's salvation, yet some of his children are not—and in compliance with their desire, Rev. Mr. Holmes (Methodist) was called to attend the funeral. To his credit be it said, he told the children they should have called a preacher who held the same faith with their venerable father, to perform the funeral services. Subsequently, by request of some of the children and friends, we paid our feeble tribute of respect, in a funeral discourse by the writer.
