

[Willard, George]
[Willard, Henry]
[Willard, Olive Ellison]

DEATHS.

In Newport, Herkimer county, on the 28th of April, of canker-rash, *Henry*, son of Silas Willard, aged 2 years, 2 months and 21 days.

On the 4th of May, of canker-rash, *George*, son of Silas Willard, aged 4 years, 2 months and 23 days.

On the 29th of May, Mrs. *Olive*, wife of Silas Willard, and daughter of Henry Ellison, aged 25 years, 6 months and 11 days.

Thus has Mr. Willard been deprived, in about one month, of the whole of his lovely and interesting family, excepting one infant babe. He may be called a mourner, indeed, and nought but the consolations of the gospel of Christ could support his spirit in such accumulated distress.
